Not all topics are recorded - see us at the booth.

\$ SAVE \$ Take 20% Off 6 or More if ordered at show!
Booth Lobby 300, Level 2.

Any 16 CDs for \$129 PLUS a FREE Binder!

PLUS...Package Deals on Main Topics: All Practice Management CDs - \$199

ACUPUNCTURE

- #1 Herbal options for pain management - Dr. L. Graham
- #2 Top 10 questions about veterinary acupuncture - Dr. L. Graham
- #3 Milk thistle: What does the literature say? - Dr. L. Graham

ALTERNATIVE MEDICINE

- #4 Yunnan baiyao: Where is the clinical evidence? - Dr. L. Graham
- #5 Clinical considerations in integrative medicine — Herb and anesthetic interactions - Dr. L. Graham
- #6 Acupuncture for analgesia? - Dr. L. Graham

ANESTHESIA

- #7 Which injectable anesthetic agents are you using? - Dr. C. Trim
- #8 Opioids: Bolus or CRI for anesthesia? - Dr. C. Trim
- #9 Cardiopulmonary monitoring of critically ill patients - Dr. C. Trim
- #10 Ventilators: Why and how - Dr. C. Trim
- #11 Nerve blocks improve general anesthesia - Dr. C. Trim
- #12 Anesthesia for the high-risk respiratory patient - Dr. C. Trim
- #13 Anesthetic emergencies - Dr. C. Trim

AVIAN MEDICINE

- #14 Critical care and the avian patient - Dr. T. Tully
- #15 Avian nutritional advances - Dr. T. Tully
- #16 Reality of avian surgery - Dr. T. Tully
- #17 Basic avian fracture repair technique - Dr. T. Tully
- #18 Avian chlamydiosis: Diagnosis, treatment, and control - Dr. T. Tully
- #19 My thoughts on the feather-picking bird - Dr. T. Tully
- #20 Avian antibiotic treatment options - Dr. T. Tully

EXOTIC MEDICINE

- #21 The avian and reptilian blood film - Dr. T. Campbell
- #22 Cytology in lower vertebrates - Dr. T. Campbell
- #23 Rabbit, guinea pig, and chinchilla dentistry - Dr. T. Campbell
- #24 Respiratory diseases of birds - Dr. T. Campbell
- #25 Small mammal hematology - Dr. T. Campbell
- #26 Anesthetizing lower vertebrates - Dr. T. Campbell

BEHAVIOR MEDICINE

- #27 Home alone: Canine separation anxiety - Dr. W. Hunthausen
- #28 Helping owners cope with puppy, kitten, and adolescent behavior problems - Dr. W. Hunthausen
- #29 How dangerous is he? Assessing the risk of injury by aggressive dogs - Dr. W. Hunthausen
- #30 Aggression problems between family dogs - Dr. W. Hunthausen
- #31 Taming the ferocious feline - Dr. W. Hunthausen
- #32 Whirling and licking — Understanding the mechanisms and treatment of compulsive disorders - Dr. W. Hunthausen
- #33 Diagnosing feline housesoiling - Dr. L. Bergman
- #34 Treating feline housesoiling - Dr. L. Bergman
- #35 Destructive dogs — Diagnosis - Dr. L. Bergman
- #36 Destructive dogs — Treatment - Dr. L. Bergman
- #37 Pet parrot behavior: An ethological approach - Dr. L. Bergman
- #38 Fearful felines - Dr. L. Bergman
- #39 Canine elimination disorders - Dr. L. Bergman
- #40 Pets and kids and behavior - Dr. L. Bergman
- #41 Working with shelters and rescue groups - Dr. L. Bergman

CARDIOLOGY

- #42 Update on feline cardiomyopathy - Dr. K. MacDonald
- #43 New perspectives in treating CHF in dogs - Dr. K. MacDonald
- #44 What's your rhythm? Analyzing ECGs and treating arrhythmias - Dr. K. MacDonald
- #45 Congenital heart diseases: Updates on diagnosis and treatment - Dr. K. MacDonald
- #46 Essentials of echocardiography - Dr. K. MacDonald
- #47 Pulmonary hypertension - Dr. K. MacDonald
- #48 Neurohormones in cardiac disease and the effects of neurohormonal antagonism - Dr. K. MacDonald

CLINICAL PATHOLOGY

- #49 How much protein in the urine is too much? - Dr. J. Knoll
- #50 RBC cases — Why are those mucous membranes so pale? - Dr. J. Knoll
- #51 Hematopoietic neoplasms — Identifying funny cells on the blood smear - Dr. J. Knoll
- #52 Sample collection and submission: Getting the most from your pathologist - Dr. J. Knoll
- #53 Cytology — Is it inflammation or neoplasia? - Dr. J. Knoll
- #54 Is it Cushing's disease? Diagnosing hyperadrenocorticism - Dr. J. Knoll
- #55 Causes of hypercalcemia - Dr. J. Knoll

CRITICAL CARE

- #56 Lung disease and hypoxemia - Dr. S. Haskins
- #57 Cardiopulmonary resuscitation — A comprehensive review - Dr. S. Haskins
- #58 Sepsis and septic shock - Dr. S. Haskins
- #59 Advantages and disadvantages of fluids used to treat shock - Dr. S. Haskins
- #60 An approach to daily fluid therapy planning - Dr. S. Haskins
- #61 Fluid and electrolyte management of patients with DKA - Dr. S. Haskins
- #62 Treating head and spinal trauma - Dr. E. Mazzaferro
- #63 Triage stat! Emergency approach to trauma patients - Dr. E. Mazzaferro
- #64 Nutritional support of critically ill patients - Dr. E. Mazzaferro
- #65 Managing feline lower airway disease - Dr. E. Mazzaferro
- #66 Emergency management patients with CHF - Dr. E. Mazzaferro
- #67 Emergency approach to toxicoses - Dr. E. Mazzaferro
- #68 Inhalation therapy - Dr. E. Mazzaferro
- #69 Fluid therapy: It's more than just LRS these days - Dr. E. Mazzaferro
- #70 Anesthetizing critically ill patients - Dr. E. Mazzaferro

DERMATOLOGY

- #71 Who ya gonna call?? Itch Busters!! - Dr. J. MacDonald
- #72 Fascinating feline skin diseases - Dr. J. MacDonald
- #73 Atopic dermatitis: Who, how, what, when, and where - Dr. J. MacDonald
- #74 Atopic dermatitis: Practical treatment options - Dr. J. MacDonald
- #75 But we just treated his skin infection! Managing recurrent bacterial pyoderma - Dr. J. MacDonald
- #76 Those yeasty beasts: Practical clinical recognition and treatment options - Dr. J. MacDonald
- #77 Practical parasitocidal treatment in small-animal dermatology - Dr. J. MacDonald
- #78 What's new in feline infectious skin diseases - Dr. C. Griffin
- #79 Itchy cats: Managing the allergic feline - Dr. C. Griffin
- #80 Practical use of cyclosporine - Dr. C. Griffin
- #81 What's new in dermatologic therapy - Dr. C. Griffin
- #82 Immunotherapy: Making it work - Dr. C. Griffin
- #83 Pyoderma: Another perspective on chronic recurrent cases - Dr. C. Griffin

DENTISTRY

- #84 New advances in bone augmentation - Dr. P. Emily
- #85 The world of dental composites - Dr. P. Emily
- #86 Beginning veterinary endodontics - Dr. P. Emily

DENTISTRY (cont'd)

- #87 Advanced veterinary endodontics - Dr. P. Emily
- #88 Surgical veterinary endodontics - Dr. P. Emily
- #89 Noninvasive oral trauma and fracture repair - Dr. P. Emily
- #90 Base narrow canine orthodontics - Dr. P. Emily
- #91 Crown construction - Dr. P. Emily
- #92 Periodontal surgery - Dr. P. Emily

ENDOCRINOLOGY

- #93 Endocrine system organization and hormonal activity - Dr. F. Drazner
- #94 Assessing patients with suspected endocrinopathies - Dr. F. Drazner
- #95 Aids in diagnosing hormonal disorders - Dr. F. Drazner
- #96 The pituitary and hypothalamus: Stimulating facts and functions - Dr. F. Drazner
- #97 Thyroid gland disorders - Dr. F. Drazner
- #98 The parathyroid gland and calcium metabolism - Dr. F. Drazner
- #99 The endocrine pancreas - Dr. F. Drazner

EQUINE MEDICINE

- #100 Hoof and foot surgery techniques - Dr. W. Moyer
- #101 Hoof wall problems - Dr. W. Moyer
- #102 Considerations for treating the undiagnosed foot problem - Dr. W. Moyer
- #103 Using diagnostic anesthesia in forelimb lameness (exclusive of the foot) - Dr. W. Moyer
- #104 Wound management principles and the factors that influence healing (Part 1) - Dr. T. Stashak
- #105 Wound management principles and the factors that influence healing (Part 2) - Dr. T. Stashak
- #106 Wound management principles and the factors that influence healing (Part 3) - Dr. T. Stashak
- #107 Wound management principles and the factors that influence healing (Part 4) - Dr. T. Stashak
- #108 Wound dressings and topical agents update: Indications and best use - Dr. T. Stashak
- #109 Managing avulsion and penetrating wounds of the hoof (Part 1) - Dr. T. Stashak
- #110 Managing avulsion and penetrating wounds of the hoof (Part 2) - Dr. T. Stashak
- #111 Management of the transition period - Dr. P. McCue
- #112 Hormone therapy: What's new? - Dr. P. McCue
- #113 Reproductive abnormalities: The ovary - Dr. P. McCue
- #114 The ever-changing perception and reality of prepurchase examinations (Part 1) - Dr. W. Moyer
- #115 The ever-changing perception and reality of prepurchase examinations (Part 2) - Dr. W. Moyer
- #116 Examination and interpretation of foot problems (Part 1) - Dr. W. Moyer
- #117 Examination and interpretation of foot problems (Part 2) - Dr. W. Moyer
- #118 Chronic laminitis: Owner and treatment considerations (Part 1) - Dr. W. Moyer
- #119 Chronic laminitis: Owner and treatment considerations (Part 2) - Dr. W. Moyer
- #120 Reproductive abnormalities: Uterus - Dr. P. McCue
- #121 Breeding management with fresh, cooled, and frozen semen - Dr. P. McCue
- #122 Advanced reproductive procedures: Update for practitioners - Dr. P. McCue
- #123 Healthy lungs need healthy barns — How barns affect equine performance - Dr. M. Mazan

FELINE MEDICINE

- #124 Bronchoalveolar lavage — How, why, when, and what does it mean? - Dr. M. Mazan
- #125 How to perform and interpret equine upper airway endoscopy - Dr. M. Mazan
- #126 Diagnosing and treating upper airway diseases - Dr. M. Mazan
- #127 Inflammatory airway diseases: Definitions and diagnosis in the performance horse - Dr. M. Mazan
- #128 Current diagnostic methods and treatments for pneumonia and pleuropneumonia - Dr. M. Mazan
- #129 Rational use of aerosolized drugs - Dr. M. Mazan
- #130 Early assessment and treatment of the sick neonatal foal - Dr. M. Mazan
- #131 What do I do with a premature foal? - Dr. M. Mazan

EVENING SESSIONS

- #132 Update on cardiac arrest resuscitation - Dr. C. Trim
- #133 Getting more diagnoses from tests that often fail us (biopsies, cytologies, scopes, ACTH stimulation tests, allergy tests) - Dr. A. Mattson
- #134 How good are your diagnostic skills? Interesting case presentations - Dr. J. MacDonald
- #135 Diagnosing and managing common behavioral changes in older pets - Dr. W. Fortney
- #136 Case studies in feline medicine: Brain teasers and puzzlers from our practice - Dr. A. Wolf
- #137 How to approach and monitor patients in respiratory distress - Dr. E. Mazzaferro

FELINE MEDICINE

- #138 The feline medicine cabinet - Dr. C. Stubbs
- #139 Feline chronic renal failure — Management made simple - Dr. C. Stubbs
- #140 Practical approach to feline nasal disease - Dr. C. Stubbs
- #141 Feline hepatic lipidosis - Dr. C. Stubbs
- #142 What to do for cats that cannot breathe - Dr. C. Stubbs
- #143 The geriatric cat - Dr. C. Stubbs
- #144 Feline infectious diseases — A collection of interesting cases - Dr. C. Stubbs
- #145 Finding early heart disease (Part 1) - Dr. G. Norsworthy
- #146 Finding early heart disease (Part 2) - Dr. G. Norsworthy
- #147 Renal insufficiency — A unique feline disease - Dr. G. Norsworthy
- #148 The new FIV and VS-FCV feline vaccines — What to do? - Dr. G. Norsworthy
- #149 Loving the diabetic cat (Part 1) - Dr. G. Norsworthy
- #150 Loving the diabetic cat (Part 2) - Dr. G. Norsworthy
- #151 Zen and the art of cat maintenance - Dr. A. Wolf
- #152 Gingivitis, stomatitis, and other oral lesions in cats - Dr. A. Wolf
- #153 Recent gems from the internists - Dr. A. Wolf
- #154 Chronic draining tracts and nodules in the cat - Dr. A. Wolf
- #155 Fever of unknown origin in the cat - Dr. A. Wolf
- #156 The vomiting cat - Dr. A. Wolf
- #157 Chronic nasal discharge in the cat - Dr. A. Wolf
- #158 The geriatric cat - Dr. A. Wolf
- #159 Managing the FeLV- or FIV-infected cat - Dr. A. Wolf

GASTROINTESTINAL MEDICINE

- #160 Canine IBD and protein-losing enteropathies - Dr. D. Zoran
- #161 Feline pancreatitis: Finding and treating an elusive disease - Dr. D. Zoran
- #162 An overview of infectious diarrhea in dogs - Dr. D. Zoran
- #163 Nutrition and management of gastrointestinal disease - Dr. D. Zoran
- #164 Esophageal diseases of dogs and cats - Dr. D. Zoran
- #165 Inflammatory liver disease in cats - Dr. D. Zoran
- #166 Kitten diarrhea: Diagnostic and treatment options - Dr. D. Zoran
- #167 Current status of canine inflammatory bowel disease - Dr. J. Armstrong
- #168 Treating canine parvovirus - Dr. J. Armstrong
- #169 Hematemesis in dogs: What to look for, how to treat - Dr. J. Armstrong
- #170 Tube feeding 101: Nasoesophageal tubes - Dr. J. Armstrong
- #171 Tube feeding 101: Esophagostomy tubes - Dr. J. Armstrong
- #172 Tube feeding 101: Gastrostomy tubes - Dr. J. Armstrong
- #173 Diagnostic approach to chronic vomiting - Dr. M. Leib
- #174 Does Helicobacter cause vomiting in dogs and cats? - Dr. M. Leib
- #175 Acute pancreatitis in dogs — A diagnostic dilemma - Dr. M. Leib
- #176 A diagnostic approach to chronic diarrhea in dogs and cats - Dr. M. Leib
- #177 Large bowel diarrhea in dogs: What's new? - Dr. M. Leib
- #178 Endoscopic management of gastrointestinal foreign bodies - Dr. M. Leib
- #179 Common errors in diagnosing and managing gastrointestinal diseases - Dr. M. Leib
- #180 Giardia infection in dogs and cats: An update - Dr. M. Leib
- #181 Icterus in dogs and cats: A practical diagnostic approach - Dr. M. Leib

GERIATRIC MEDICINE

- #182 Why pets age and how we can influence the aging process (Part 1) - Dr. W. Fortney
- #183 Why pets age and how we can influence the aging process (Part 2) - Dr. W. Fortney
- #184 Management strategies for old arthritic dogs and cats - Dr. W. Fortney
- #185 Geriatric wellness programs: Implementing a senior care program in your practice - Dr. W. Fortney
- #186 Common dermatologic problems in older pets - Dr. W. Fortney
- #187 Geriatric nutrition: What do older pets really need to eat? - Dr. W. Fortney

IMMUNOLOGY

- #188 Everything you wanted to know about practical immunology but don't know who to ask - Dr. R. Schultz
- #189 What every veterinarian needs to know about canine vaccines and vaccination programs - Dr. R. Schultz
- #190 What every veterinarian needs to know about feline vaccines and vaccination programs - Dr. R. Schultz
- #191 Effectively using antibody titers to assess vaccinal immunity to canine and feline diseases - Dr. R. Schultz
- #192 Canine and feline immunodiagnostic tests: Which ones to use and how to interpret the results - Dr. R. Schultz

PHARMACOLOGY

- #251 Interpreting culture and susceptibility testing: Making sense of the numbers - Dr. D. Boothe
- #252 Beyond the MIC: Dead bugs don't mutate - Dr. D. Boothe
- #253 Clinical cases: Using antimicrobials judiciously - Dr. D. Boothe
- #254 The new nonsteroidal anti-inflammatory: Too much of a good thing - Dr. D. Boothe
- #255 Treating respiratory inflammatory diseases - Dr. D. Boothe
- #256 Compounding and small-animal therapeutics: Use or abuse? - Dr. D. Boothe
- #257 What's new in small-animal drug therapy? (Part 1) - Dr. D. Boothe
- #258 What's new in small-animal drug therapy? (Part 2) - Dr. D. Boothe
- #259 What's new in small-animal drug therapy? (Part 3) - Dr. D. Boothe

PRACTICE MANAGEMENT

- #260 Preparing for ownership - Dr. C. Woloshyn
- #261 Your first three years - Dr. C. Woloshyn
- #262 Motivating your team - Dr. C. Woloshyn
- #263 Satisfy clients and still have a life - Dr. C. Woloshyn
- #264 Unlock the potential of your client base (Part 1) - R. Cummings, CVPM
- #265 Unlock the potential of your client base (Part 2) - R. Cummings, CVPM
- #266 Recruiting a new graduate - R. Cummings, CVPM
- #267 Learning lessons from staff management disasters - K. Oster
- #268 Getting along on a multigenerational team - K. Oster
- #269 Strategies for exit interviews that generate concrete solutions - K. Oster
- #270 Five steps to better teamwork (Part 1) - Dr. E. Ward
- #271 Five steps to better teamwork (Part 2) - Dr. E. Ward
- #272 Staying cool when the heat is on - Dr. E. Ward
- #273 Fee setting (Part 1) - Dr. D. Lane
- #274 Fee setting (Part 2) - Dr. D. Lane
- #275 Establishing a vision for your career - Dr. D. Lane
- #276 Malpractice vs. misconduct: Staying out of trouble with your state boards - Dr. C. Allen, JD
- #277 Practical ways to avoid malpractice suits - Dr. C. Allen, JD
- #278 Avoid problems in your employment contracts - Dr. C. Allen, JD
- #279 Partnerships: Birth, grooming, and last rites - Dr. C. Allen, JD

PRACTICE MANAGEMENT ADVANCED TRACK

- #280 Establishing a code of ethics for your practice - Dr. M. Heinke, CPA, CVPM
- #281 Developing a practice business plan - Dr. M. Heinke, CPA, CVPM
- #282 Establishing internal control systems - Dr. M. Heinke, CPA, CVPM
- #283 Succession planning - Dr. M. Heinke, CPA, CVPM
- #284 Practice protocols that keep your message consistent - Dr. M. Heinke, CPA, CVPM
- #285 Increase the odds that callers will schedule an appointment - Dr. M. Heinke, CPA, CVPM
- #286 Using behavior profiles to improve teamwork - Dr. M. Heinke, CPA, CVPM
- #287 Coaching to your team members' strengths - S. McVey
- #288 Learning to lead - S. McVey
- #289 Emotional intelligence as an indicator of leadership qualities - S. McVey
- #290 Setting medical and service standards (Part 1) - R. Cummings, CVPM

PRACT. MNGMNT. ADVANCED TRACK (cont'd)

- #291 Setting medical and service standards (Part 2) - R. Cummings, CVPM
- #292 Setting medical and service standards (Part 3) - R. Cummings, CVPM
- #293 Manage your practice better using results of the Pfizer/AVMA Business Practice Study - R. Cummings, CVPM
- #294 Employee inventory: Build your team members' skills - Dr. C. Merle, MBA, CVPM
- #295 Employee inventory: Start your succession plan - Dr. C. Merle, MBA, CVPM
- #296 Planning for change in your practice (Part 1) - Dr. C. Merle, MBA, CVPM
- #297 Planning for change in your practice (Part 2) - Dr. C. Merle, MBA, CVPM
- #298 Planning for change in your practice (Part 3) - Dr. C. Merle, MBA, CVPM
- #299 Learning more from applicants resumes - Dr. C. Merle, MBA, CVPM

REPRODUCTION

- #300 Reproductive behavior of dogs and cats - Dr. M. Root-Kustritz
- #301 Semen evaluation - Dr. M. Root-Kustritz
- #302 Clinical uses of vaginal cytology in female dogs - Dr. M. Root-Kustritz
- #303 Feline reproduction - Dr. M. Root-Kustritz
- #304 Breeding management and artificial insemination in dogs and cats - Dr. M. Root-Kustritz
- #305 Pyometra in bitches and queens - Dr. M. Root-Kustritz

RESPIRATORY MEDICINE

- #306 Approach to respiratory distress (Part 1) - Dr. L. King
- #307 Approach to respiratory distress (Part 2) - Dr. L. King
- #309 Practical respiratory diagnostic techniques - Dr. L. King
- #310 Monitoring the respiratory patient - Dr. L. Waddell
- #311 Blunt thoracic trauma - Dr. M. Boller
- #312 Spontaneous pneumothorax in dogs - Dr. L. Waddell
- #313 Upper airway obstruction and respiratory distress - Dr. M. Boller
- #314 Medical vs. surgical management of feline pyothorax - Dr. L. Waddell
- #315 Cardiogenic or noncardiogenic pulmonary edema? - Dr. M. Boller
